

The first amendment could not possibly have had the airwaves in mind by the writers Thomas Jefferson & etc. as there were no airwaves at the time. The Sinclair Broadcasting Co. has forgotten the airwaves belong to the people not to the CEO of the company. They should publish the correct and complete story before Congress in 1971. I have heard it and the ads being put out by the Republicans have been taken out of context. Also, Is John Oneal going to be a Federal Judge after this is over for his reward for the untruths about a great American John Kerry. Wayne
